CERTIFIED RECOVERY PEER ADVOCATE-PROVISIONAL

The New York Certification Board defines a *Certified Recovery Peer Advocate (CRPA)* as a person who provides outreach, advocacy, mentoring and recovery support services to those seeking or sustaining recovery. For the purpose of certification, a Certified Recovery Peer Advocate is defined as a professional who has demonstrated competence in performing a range of activities as defined by the *IC&RC Peer Recovery Job Task Analysis (2013)* and the *IC&RC Peer Recovery Candidate Guide (2015)*.

In order to become certified as a CRPA, a candidate must demonstrate they have completed appropriate education, training and work experience (paid or volunteer) and meet the CRPA standards. For the current CRPA standards and application requirements, please review the CRPA application posted on the NYCB website for details.

In all activities, the certified professional must demonstrate consistent adherence to the *NYCB Code of Ethical Conduct (2012)* & *NYCB Code of Ethical Conduct – Disciplinary Procedures (2012)* and agree to continue their professional development with ongoing education and training specifically related to peer recovery.

Effective June 1, 2016, OASAS has approved the NYCB to offer the **Certified Recovery Peer Advocate-Provisional (CRPA-P)** certification to candidates interested in completing all of the requirements for the **Certified Recovery Peer Advocate (CRPA)** certification and currently working or volunteering in a peer support role. The **CRPA-P** will be issued for 2 years without renewal to eligible candidates who meet minimal requirements around training, education, current peer recovery experience and affirm their willingness to complete all remaining CRPA requirements prior to the expiration of their **CRPA-P** which include:

- 500 hours of peer recovery work experience (paid or volunteer)
- 25 hours of supervision specific to the peer recovery domains
- Pass the NYCB/IC&RC Peer Recovery computer-based exam

***Work and supervision which occurred in a treatment setting while you were actively in treatment in that setting will not meet the requirements.**

Once you have submitted your application materials... you will receive written confirmation your packet has been received. After your application has been reviewed, we will notify you in writing (via email) within approximately four-to-six weeks of receipt of application about its status. If changes or additional information are required, you will be notified in writing at that time. We will also notify you, by email, when your application has been accepted and when you will be invited to sit for the standardized exam, if applicable. If you have questions about your certification packet after submitting it to us for review, or if you have not received an electronic notification within the specified period, please email support@asapnys.org for assistance.
