Certified Addiction Recovery Coach (CARC)
15 hours recovery-specific education plus 3 hours Peer Ethics
Certified Recovery Peer Advocate (CRPA)
24 hours recovery-specific education plus 4 hours Peer Ethics

Build your Recovery-Specific continuing education on the following non-clinical, SUD-focused skills and topics:

- Communication Skills such as purposeful conversation; motivating/invitational; strategic story sharing;
- Resource Building including local and community; public/private; state and nationwide
- Hot-button topics that bring challenges into the conversation - for example, spirituality in recovery; cultural humility and competence; managing conflict and professional détente; etc.
- Trends in the peer recovery profession including one-time documented attendance at Bronco Council on Alcohol and Substance Use Disorders; CCAR webinar; NYC Panel on Recovery; CCAR Trainer Registry

Choose from the following approved courses and visit the ASAP-NYCB Trainer Registry for further information on the trainers (http://www.asapnys.org/asp-nycb-trainer-registry/). All listed and approved courses are also suitable for CARC Electives (Initial Certification), unless otherwise stated - details at http://www.asapnys.org/ny-certification-board/nycb-approved-training/. The following options are offered at different price-points; several are free.
