

Dear Colleagues,

Please join us for a webinar on **Friday, April 17, 3pm – 4pm**, hosted by the NYC Department of Health and Mental Hygiene (DOHMH) where DOHMH leadership will provide updates for community-based behavioral health and intellectual/developmental disability providers. Details on this webinar are provided, below:

**Title:** NYC DOHMH COVID-19 webinar for community mental health, substance misuse and intellectual/developmental disability providers

**Description:** NYC Department of Health and Mental Hygiene (DOHMH) is hosting a 1-hour webinar for community-based behavioral health and intellectual/developmental disability providers working in New York City. DOHMH will provide updates on: COVID-19 data, infection control, community services operations, isolation hoteling, and resources, and will address questions.
