A Message from ASAP-New York Certification Board Leadership

John Coppola
Executive Director

Suzanne Hall-Westcott
Director of Certification

Roy Kearse
Board President

"In this unprecedented emergency, all of us at ASAP-NYCB deeply appreciate your commitment to peer recovery and to the individuals with whom you work, whether as certified professionals or as workforce trainers.

In order to keep all of us safe and well, we have established a number of internal procedures designed to maintain continuity of service. This advisory gives details of these temporary measures. We will update this advisory as needed in the days ahead.

We're all dedicated to supporting you in your important work. Thank you for navigating these temporary arrangements for ensuring that certification processes stay in place while helping people to stay home during this health crisis. Be safe!

For any questions arising, please contact our team as follows. Your query will be addressed in the order of receipt, and we will respond to you as soon as possible:

NYCB Certification Application & Status (only):
Elisabeth Kranson, Certifications Coordinator, ekranson@asapnys.org

Training Approvals, and all other queries:
Ruth Riddick, Community Outreach, rriddick@asapnys.org

ASAP's COVID-19 daily updates:

Please check out important updates for the field posted daily to our website at <http://www.asapnys.org/corona-virus-helpline/>.

Recovery Community Resources:

Please see regularly updated listings at <https://for-ny.org/get-help/>. Please also check out recovery organizations and the multiple resources and initiatives updated daily on Facebook, and connect there with ASAP - <https://www.facebook.com/ASAPNYCB/>.

Billing status of CRPA, CRPA-Provisional and CRPA-Family:

Peer recovery professionals providing eligible services under these certifications continue to be Medicaid-reimbursable for remote service provision (teleconference, videoconference, etc.). This status will be reviewed in the light of further developments in the pandemic. Please see advisory at https://oasas.ny.gov/system/files/documents/2020/03/telepractice-update-ii_0.pdf.

Certification Applications:

- Applications for Professional Certification (CRPA; CRPA-Provisional; CRPA-Family; CARC) are being accepted via email only.
- When preparing your application, please be sure that you have completed the most recent version of the application and role verification form(s) (May 2020). These forms have been specially designed to be completed and signed online. Please email your completed application to Elisabeth Kranson, Certification Coordinator at ekranson@asapnys.org.
- Online applications must be accompanied by credit card payment - please make your payment at <https://tinyurl.com/yayengxm>.
- If you have questions about how to submit your application, please contact NYCB staff.
- The NYCB Board continues to meet remotely, and applications are being processed and approved as usual. Please allow 4-6 weeks for turnaround.
- Professional Certifications continue to be issued in the usual manner.

Certification Status & Renewals:

All expiration dates falling in the period March 1-June 30, 2020 will be automatically extended by 90 days to ensure that all certificants remain in status. These extensions are posted to our website Certification Verification page as appropriate on a rolling basis - please check your status at <http://www.asapnys.org/verify-a-certification/>.

Date of this notice: June 26, 2020

contact: Ruth Riddick: rriddick@asapnys.org | Page 1 of 2

Please also note:

- Online peer recovery support qualifies as role experience hours towards the 500 hours required for CRPA (and CRPA-Provisional upgrade). Be sure to document your voluntary and/or paid hours.
- Please take advantage of the many online opportunities for continuing education posted to the NYCB Renewal Program page at <http://www.asapnys.org/ny-certification-board/renewal-program/>.

IC&RC Peer Recovery Exam

Please note that testing sites for the IC&RC Peer Recovery exam (required for CRPA and CRPA-Upgrade) are reopening.

If you are ready to apply for CRPA, or to upgrade from CRPA-Provisional, and you are just waiting to test, please take the following action:

- **CRPA Upgrade:** Complete and submit the online CRPA Upgrade form (May 2020), following all instructions at <http://www.asapnys.org/ny-certification-board/certified-recovery-peer-advocate-crpa/>
- **CRPA:** Complete and submit the online CRPA application form (May 2020), following all instructions at <http://www.asapnys.org/ny-certification-board/nycb-certifications/>

For further information about the exam, please see <https://internationalcredentialing.org/>.

For exam-ready candidates interested in the (optional) ASAP Peer Recovery Exam-Prep workshop, please note that this is now being offered via Zoom - check website for details: <http://www.asapnys.org/ny-certification-board/certified-recovery-peer-advocate-crpa/>.

CRPA-Provisional Standards

- The primary value of CRPA-Provisional continues to be its utility as a Medicaid-reimbursement platform. However, CRPA-Provisional is NOT required to build the 500 hours experience in the peer recovery role required for CRPA. Role practice hours in non-Medicaid-reimbursable environments also count. Keep careful track of these hours; you will be required to document them in support of your CRPA application.
- Pending full restoration of the IC&RC Peer Recovery Exam, NYCB cannot guarantee timing of an award of full CRPA. If you need to be immediately Medicaid-reimbursable, please apply for the CRPA-Provisional.
- Effective April 1, 2020, candidates for CRPA-Provisional will not need to be working in the role at time of application to be eligible for this professional certification. Candidates must, however, meet the experiential and educational requirements of the role.
- Please note that CRPA-Provisional expires after 24 months (plus any temporary extension awarded on the basis of the present emergency). The certification is non-renewable. If applying for CRPA-Provisional, please be confident that you will be able to complete 500 hours role experience, plus pass the associated competency-based exam (when restored), within the non-negotiable timeframe of the certification.

Certified Addiction Recovery Coach (CARC)

We are continuing to process CARC applications in the usual manner. For options to complete the 60 hour training requirement, please see <http://www.asapnys.org/ny-certification-board/renewal-program/>.

For training opportunities, please see listings at <https://for-ny.org/upcoming-trainings/>.

The CARC exam will be reinstated as soon as possible after the present crisis.
