   Begin typing the name of your organization and choose from the autocomplete options. If your organization is not listed, hit enter and choose “Other NYS serving Agency/Organization.”

   NYS MH, SUD, Child Welfare Agency Providers

   [Submit]

   b. When looking for your agency, you may select the drop down arrow to search, but we recommend that you begin by typing the name of your agency.

   **TIPS:**
   - Type a key component of your name to drill down the list. For example, if I worked at Mt. Sinai Hospital, I would type in “Sinai.”
   - Many times, an agency may use multiple names for services. If your agency’s name recently changed, try both names.

   **NOT SURE OF YOUR ORGANIZATION?**

   If you are an OMH or OASAS licensed or certified county or state agency providing behavioral health services, please select from the “NYS MH, SUD, Child Welfare Agency Providers” list. This includes state and county agencies that are providing behavioral health services. All other agencies must choose from the “OTHER/Government Agency” option which lists the following.
PLEASE NOTE: If your agency is not listed, you may choose “Other/Government Agency” and choose one of the ‘other’ options from the drop down menu. You will then be prompted to enter the name of your agency.

Once registration is completed, you will be taken back to the login screen. At this time you will log in using the credentials you’ve just created.

**Once you have registered, click on the SLC button on the top left of the toolbar.**
