

# New York Certification Board – CRPA or Upgrade to CRPA Application INSTRUCTIONS for Role Experience & Supervision Verification

[Candidate: give this entire document to each supervisor if you have more than one.]

## PROFESSIONAL:

Candidates for CRPA certification must have:

- **Completed** at least 500 hours providing peer recovery support services for those in recovery from substance use disorder.
- **Received** at least an additional 25 hours of supervision in a one-on-one and/or group setting.

*To avoid any suggestion of a conflict of interest, role experience and supervision occurring in a treatment setting while a candidate was in treatment at that setting will not meet the CRPA certification requirement. If the candidate is in long-term medication-supported recovery at that setting, however, hours may be considered providing they meet the following conditions:*

- Candidates do not access confidential information related to other service recipients.
- Candidates are not serving in a dual role – i.e., receiving services alongside their own clients/individuals to whom they currently (or previously) providing peer services.
- Candidates recuse themselves from providing services when faced with a potential dual-role conflict to prioritize personal recovery.

**Print or email this document to your supervisor(s). You will complete part of page 2, and your supervisor(s) will complete the remainder.**

5. **Upload** a completed **PDF** copy or photo of page 2 **PLUS** any additional page(s) from the supervisor into the Role Experience & Supervision step of your CRPA or Upgrade to CRPA application. We do not need a copy of this page of instructions.

Supervisors are encouraged to review the CRPA KSAs (knowledge, skills and abilities) to determine the activities which meet the role experience requirement for CRPA certification. Please see *NYCB Role Experience & Supervision Overview* and *NYCB Supervision Recommendations for Supervisors* on the List of Resources below.

If you have questions about what Role Experience qualifies for CRPA certification, please contact either Elisabeth Kranson ([ekranson@iuany.org](mailto:ekranson@iuany.org)) or Cathie Gifford ([cgifford@iuany.org](mailto:cgifford@iuany.org)).

Some CRPA candidates may work with clients who have co-occurring disorders in mental health and substance use disorders. **Only hours providing peer recovery support services for individuals in recovery from substance use disorder meet the requirements for CRPA certification.**
